Harvest

Harvest Celebration- for increased sense of unity as the three churches come together as a positive witness in the local area. For an appreciation of what we have and how we support those who have less.

Bristol Soup Run/In Hope/JUICE-the organisations that support people who are homeless or who are struggling to keep things going with the increase in food and energy prices. Pray for continued support from individuals and companies, both financially and with food donations.

Workers- for those who grow and produce the food we eat. For better harvests around the world so that food can be distributed more fairly. For sensitivity to climate change.

Salt Malawi- families facing real hunger in the coming months, some of whom are surviving now due to the generosity of family members. Many people are struggling with huge increases in the day-to-day cost of living.

Signature Dishes-that we can continue to bless people in crisis with the offer of pre-cooked meals provided by the church.

Outreach work-Pray that all the work we do with the pre-school families, the school and the care homes will reap a harvest. That we have the resources and the wisdom to manage new growth and the discipling of people as they come to know Jesus better.
