

DECEMBER

Prayer Diary

PEACE ON EARTH

Christmas should be a time of joy and giving as families celebrate the festive season. For some, though, the felt pressure of Christmas can be stressful and domestic strife can spill over into violence; this at a time when it is harder for vulnerable children and adults to access support. Pray for peace for families this Christmas.

SHELTER

Many organisations that provide shelter and food to the homeless at Christmas, such as St. Mungo's and In-Hope, are struggling to meet demand. Donations to charities have fallen and there is an increase in the number of people forced onto our streets.

THE MUSTARD TREE

Pray that our Christmas services will be well received by the community and that people will feel a connection both with us and with God. That they will be moved in spirit by the love and acceptance that Jesus brings, and that there will be a growing desire to find out more about what it means to truly be a follower of Christ.
