

JANUARY

Prayer Diary

Dawn

New Year Resolutions

Many people at this time of year re-evaluate their lives and think about where they are going. Pray that this will involve a spiritual reflection and that people in our local area will have a growing desire for something deeper and will seek the truth about God.

Middle East

There is a growing hope that the regime change in Syria will bring new opportunities for both the country and the region in general. Pray for lasting peace and stability.

Ukraine

That this year will also bring a resolution to the conflict that will also have a positive outcome for all Europe.

Mustard Tree

Pray that the activities that we do will continue to flourish and bring growth in people's lives.

That new ideas and programmes develop in response to the needs of the church members and the community.

Pray for the children's work and the people that volunteer with the Mustard Seeds.
