

## Support

### In-Hope

For people sleeping rough to ask for help from the Wild Goose staff in order to be signposted to agencies to get emergency accommodation.

For participants of the Life Course – that they would feel at ease in the group and complete the course.

For the tenants moving into the new Hope into Action community houses in Knowle West and Portishead.

For client face-to-face appointments with the foodbank support and advice workers – that people would be helped to reduce their bills and the need for them to use the foodbank.

### Beloved

Pray that women working in the sex industry in Bristol and the surrounding areas will seek the support and safety information offered and accept referrals to local organizations.

Please pray for increased funding and the protection of the volunteers.

### Salt Malawi

The Church of the Disciples of Jesus (CDJ) leaders are facing challenges due to staff shortages and provision of food aid for communities experiencing hunger. Pray for protection for teams distributing food and God's guidance for leadership development initiatives across different regions of Malawi; especially in areas like Nsanje -where many church leaders have left for work elsewhere.

### Prayer Meeting:

Thursday 6<sup>th</sup> February  
7:30pm @ The Tree.  
Led by the Thursday homegroup.

**Acts 20 : 35**  
**Galatians 6: 9-10**
