GOD INVOLVED

When looking at some of the things that are happening in the world, people often ask, 'Where is God? Why doesn't He do something?' Christmas reminds us that God did do something -that he intervened to bring the kingdom and dominion of heaven to earth. Jesus not only provides a way for us to come back to the Father, but he also shows us how to live. Pray that this Christmas, people will be increasingly open to hearing about the gospel and stirred to seek something deeper and more meaningful in their lives. Pray that the silent revival amongst 20- and 30-year-olds will be amplified against the backdrop of the Christmas season.

THE MUSTARD TREE

We have had a mixed year at the Tree, with new families joining us but also others becoming increasingly unwell and even passing away. Pray for those who need God to be near to them this Christmas, either in the excitement of learning more about Jesus or comforting them in the midst of their suffering and grief.
