

# NOVEMBER

## Prayer Diary

## Visibility

### PEOPLE AROUND US

Many of us have friends and family who know we are Christians, and often appreciate what we do, but they won't accept the gospel for their own lives and fall short of finding Jesus for themselves. Pray that God will make Himself ever increasingly visible to them and that they are drawn to His light. Pray that His Spirit will call to their spirit.

### INVISIBLE NEEDS

There is much that is hidden from us; locally in our own areas, nationally and internationally -as the recent prayer request for Malawi has shown. Pray that we will be aware of the needs of those around us and that we are able to actively help to ease their struggles.

### THE MUSTARD TREE

Pray for us as a church -that we will continue to grow as individuals and as a group so that we visibly reflect the love and compassion of Jesus. May we become known in the area as a Church that is trustworthy, welcoming and a beacon of hope for those seeking meaning and truth.
