

# January

## Recalibration

### Review

The start of a New Year is an opportunity to look at the things we do and consider dropping those that are unhelpful and developing others which are more beneficial to us. This is often the case regarding our physical and mental well-being, but there is also an opportunity for spiritual renewal and growth. This is a good time to consider what our priorities are, the people we want to be and where we are going in our journey with Christ.

Outside of the church, this is a process that is widely practised at New Year. Pray that people would consider the spiritual reality of their lives and be drawn to seeking deeper meaning and truth.

### Mustard Tree

As we enter 2026, pray that we will sense God's direction in the life of the church as well as in our own individual lives. This includes the topics we focus on, the outreach we do and the nurturing of new growth as people and families continue to join us. May we know God's anointing and blessing as we serve Him in our community.

### Prayer Meeting:

Wednesday 21<sup>st</sup> January  
7:30pm  
@ 23 Elderwood Drive  
BS30 9YA

**Isaiah 40:31**

**Psalms 51**
